At Astrum Energy we understand that the people that need solar the most are usually the ones that are unable to afford it. Our PaySave repayment plan is an innovative award winning way for purchasing solar. We aim to match your weekly repayments for your solar system with your weekly savings on your generator expense.

We are committed to the development of renewable energy and its promotion as a source of clean, reliable and sustainable energy. As such we work together with leading market players and agencies where possible, to provide power alternatives and promote Eco-friendly
