We are the Boss of PP CP Battery Containers with 25 years of Legacy. Since the launch of PP CP Battery Containers, Boss has been the leading and pioneer brand in India. Boss Strives to find better solutions to Customer needs by ...

If my bike battery were to malfunction and start a fire, that would be very bad for my home. Although the risk of a modern E-bike battery catching fire is low, I prefer to go by the phrase "better to be safe than sorry". I searched online for a lithium-ion battery storage bag that could contain a battery fire, should the bike battery malfunction.
