What if Australia had a strategic presence on Christmas & Cocos Islands?
An expanded and well-resourced Australian strategic presence on Christmas and Cocos (Keeling) Islands would enable closer maritime security and other forms of defence cooperation with a range of Indo-Pacific partners.

Aura Power said that this funding will be used to help progress global development for the company, by funding grid payments, planning fees and legal land costs. In late December of last year, Aura Power also took another step forward with its battery energy storage system (BESS) ambitions, securing planning permission for a 4-hour BESS.

Matthew Andrews, senior relationship manager for the sustainability and green infrastructure team at Novuna Business Finance, added: "It has been an absolute pleasure to work alongside Aura Power to provide them with the £10 million facility to fund their project development costs, bringing each of them a step closer to the ready to build ...

Geography - note. note 1: there are 27 coral islands in the group; apart from North Keeling Island, which lies 30 km north of the main group, the islands form a horseshoe-shaped atoll surrounding a lagoon; North Keeling Island was declared a national park in 1995 and is administered by Parks Australia; the population on the two inhabited islands generally is split between the ethnic ...
