Investec''s Private Capital has provided a senior secured debt facility to AGR Power Ltd ("AGR"), a UK-based renewable energy developer, to fund its pipeline of European development opportunities.

Our role. Private Capital worked closely with AGR to structure a bespoke financing package that provided the company with the strategic funding for its near-term development pipeline, alleviating the need to sell its valuable portfolio of Ready-to-Build ("RtB") projects, and gave management time to assess its strategic options.

Aura Power Developments Ltd (Aura Power) is a provider of renewable energy solutions. The company develops, finances, builds and operates utility-scale solar photovoltaic (PV) and energy storage projects. Its service offering include project management; engineering, procurement and construction; operation and maintenance of renewable power plants.
