On the south coast of Puerto Rico near the South West corner is La Parguera bay, which has been the main attraction of this part of Puerto Rico for a long time. Unfortunately, it is the least bright of the bays due to hazy water, and there was a restriction on tours coming to the area so it could heal for a couple of years.

Deep Cycle Systems Pty Ltd is a small family lithium battery technology company located in Tamborine Mountain, Australia. We specialise in the design and manufacture of lithium battery related technologies such as Battery Management Systems, Cell Management Systems, DC-DC charging systems and solar regulators. ...
