Divided plasma battery farm Macao

How do you farm divided plasma batteries?
It is best to use a runner like Bunny, who can speed through the operation because she damages and wipes enemies as she runs through the objectives. The best way to farm Divided Plasma Batteries is to pick either The Asylum or Caligo Ossuary and rush through the objectives until you reach an elite commander.

Does Anais need a divided plasma battery?
Anais needs all those batteries!Divided Plasma Batteries drop from two of the longest Infiltration Operations in The First Descendant. However,there are ways you can farm these rare materials more efficiently. You can use an efficient and fast Descendant,or you can use a tactic that saves you more time running these operations.

Where do divided plasma batteries drop?
Divided Plasma Batteries drop from these two Infiltration Operations in the Agna Desert region: You can finish them in normal or hard mode difficulty,and they will still drop either way. Both these operations are quite long and involve multiple tedious objectives.

How do you get divided plasma batteries in the first descendant?
In The First Descendant, there's a lot of grinding that you'll need to do to get certain upgrade materials. Before you go and spend hours grinding, you'll first need to know where to find these materials. That's because only certain enemies or missions drop them! In this guide, we'll show you how you can get Divided Plasma Batteries in the game.

How do you farm a heat plasma battery?
To farm the Heat Plasma Battery most efficiently,visit Hagios and repeat the Old Mystery quest. You get this drop from the Elite enemies. Unlock your favourite Descendants with the help of this guide. (Picture: Steam) Head to the Agna Desert (Normal) and participate in The Asylum.

How do divided plasma batteries work?
Divided Plasma Batteries drop from commandersrather than the last boss of the operation. If you can speed through the objectives,defeat the commander,and exit the operation,you'll save a lot of time.
