Equatorial Guinea helis solar

CHC, November 30, 2018 - Earlier this fall, the team at our Malabo base in Equatorial Guinea invited children from The Orphanage of Our Lady of the Almudena to join them for a special Kids Flight event at the base. This special event gave 20 children and their teachers the chance to build on their last visit to our facility and experience their own helicopter ride for the first time.

Description The project is being developed by Helios Power. Scatec and Nizam Energy (Pvt) are currently owning the project having ownership stake of 75% and 25% respectively. Helios Power Goth Gagrawara Solar PV Park is a ground-mounted solar project which is planned over 236.7 acres.
