Euroenergy group Guinea

Who is Euroenergy?
EuroEnergy is a renewable energy investment companywith nearly two decades of experience and a growing presence in five countries -- Greece,Romania,Poland,Croatia,and Latvia. EuroEnergy is thrilled to announce the successful Energization of the Boguszyn project,a 20 MW solar park in the Boguszyn precinct in southwest Poland.

Does Euroenergy have a European presence?
The latest projects increase the company's European presence by adding Poland to Greece,Romania,and Croatia. This new venture also expands the footprint of EuroEnergy's parent company,Libra Group,which has multiple renewable energy subsidiaries across North America,Latin America and Europe.

Is Euroenergy partnering with AFCON?
Theofanis Mermigkousis,CEO of EuroEnergy,further commented," This partnership with such a like-minded and forward-thinking team as Afcon's will only grow stronger in the future,both in Poland and other geographies.

When will Euroenergy open a new office in Poland?
EuroEnergy will also establish an office in Poland to facilitate its further growth in the local market. Construction of the project,which is fully licensed,will begin in late May 2023and is expected to connect to the grid in early 2024.

From pre-reconstruction to commissioning, EuroEnergy adheres to the highest standards of quality and efficiency. Our expertise spans technical feasibility studies, comprehensive site preparation, and mechanical and electrical installations of over 120 MW of wind, solar and biogas projects in Greece, Romania, Poland, and Latvia.

Interested in a Career with Euro Energy Group? There are major shortfalls facing the retrofit industry. To scale up and meet decarbonisation goals, thousands of specific trades and professions need to be educated and trained to fill the skills gap. We can not deliver our vision without meaningful investment in people and training. We recognise
