Fiji battery as a service companies

Sort of like renting a battery. You buy a vehicle, but you don"t pay for the battery up front. Instead, you take a subscription that allows you to spread the cost over a longer time frame. And each time you need to swap out your discharged battery for a new one, just visit the station and you"re good to go. It"s Battery-as-a-Service or BaaS.

Pacific Batteries Pte Limited has emerged as the sole automobile battery manufacturing company in the South Pacific region. Originally founded in 1965 as ACE Battery Co., the company underwent a significant ...
