If you"ve ever lost power for longer than a day or two, you know that it"s much more than a mere inconvenience. You could lose hundreds of dollars worth of groceries if the freezer defrosts. Your kids could get sick if your heat won"t turn on in extreme cold. It only takes one blackout to start looking for solutions.

For nearly 20 years, before anyone predicted how the internet would develop, our team was developing internet filtering solutions. How many devices have been filtered by GenTech? Our filtering system has been installed on over 250,000 mobile devices in over 20 countries - including USA, Canada, Israel, England, France, and Brazil.
