2 reviews of Bentech heating and air "After having issues with a previous AC repair company and being in the sweltering heat for weeks, this wonderful company came in and saved us. Our home warranty company changed us over to him send thank God they did. He was fast, understanding, straightforward, and most importantly, got our AC working in these 95+ degree days.

° Amigable con el medio ambiente ya que trabajan con la energía solar y no emiten ningún tipo de emisiones. Características del Panel Solar para Piscina y Jacuzzi Bentech: Panel Solar para calentamiento de agua en albercas residenciales y públicas. Marca Bentech. Tamaño: 4"x10? Peso aproximado vacío: 5kg.
