You can contact us by email at sales@machinesequipments for reliable Solar Power Plants supplier, we are well-known for our world-class Solar Power Plants and one-stop bulk and ...

A solar electric system converts sunlight into electricity using solar cells. Solar panels can be mounted on rooftops or the ground, and convert particles of light energy, known as photons, into direct current (DC) electricity. An inverter changes DC power into alternating current (AC) to power your home or facility. Solar is a proven technology.

As part of the Grenlec Community Partnership Initiative (GCPI), three major projects are being finalized for the installation of rooftop solar PV systems to subsidise the homes" energy expenditures and grow Grenada"s renewable energy penetration.

Grenlec recently finalised a contract for 937kW of solar photovoltaic (PV) renewable energy spread over 13 sites at an aggregate capital cost of more than EC$6.4 million. These new installations represent Grenlec"s single largest renewable energy project investment in Grenada to date.

Harness sustainable power with our Renewable Energy Solutions. From solar to wind, we offer eco-friendly alternatives tailored to your energy needs, reducing your carbon footprint.

Call for Proposals: Solar-Powered Green Air Conditioning March 5, 2021 . Featured Projects. Driving Solutions for a Sustainable Future. Grenada Ecosystem Assessment: Linking Science and Policy. ... This portal was developed under the Getting Grenada Green Climate Fund Ready (3G) Project; co-funded by the Green Climate Fund, the German Federal ...

Off-grid solar systems are a popular choice in Grenada, which has abundant sunshine all year round. Off-grid solar systems are not connected to the main electricity grid, so they can provide a reliable source of power even in remote areas or during power outages.

You can contact us by email at sales@machinesequipments for reliable Solar Power Plants supplier, we are well-known for our world-class Solar Power Plants and one-stop bulk and trustable Solar System Products manufacturers in Grenada.
