Infinity Energy Closes Down Infinity Energy Ceases Operations. Like many solar companies that once promised to revolutionize renewable energy, Infinity Energy struggled to maintain its business amid the challenges posed by the solar industry in California. Infinity Energy has been around since 2014, headquartered in Rockiln, California.

Infinity energy Chile

TLDR - It is currently May 2022. I have been waiting for an installation from Infinity Energy since August of 2020. Awful communication, failed installation dates, and outright lies. Long version - As mentioned above I have been waiting for an installation from Infinity Energy since August of 2020. I am still waiting.

I worked at infinity energy for three years. They screwed all their installers out of thousands of dollars in bonus as well. Everyone"s been impacted they are 100% shutting down operation and being dissolved by everbright one of their lending companies.
