Cost - Solar PV panels can be quite expensive to buy initially. Space - Solar PV panels do take up quite a lot of roof space compared to solar thermal systems. Wasted energy - These panels produce a good amount of energy, however they have no way of storing excess power. Unless you buy a solar battery, this extra energy will be wasted.

Peel and Cubico JV submits plans for first Isle of Man Solar Farm &  storage. By: Sean Collier. Date: January 25, 2023. 3 min. Plans have been submitted for the first grid-scale solar farm and battery storage on the Isle of Man to provide affordable renewable electricity to residents and businesses and help improve energy security for the Island.
