Israel staco energy products

The first Staco Energy variable transformer was manufactured in Dayton, Ohio in 1937. Since then, Staco Energy Products Company has pioneered improvements in design and construction of equipment for industrial, commercial, medical and military applications: Standard and specialized variable transformers; AC voltage control; Power conditioning; UPS

Buy Staco Energy Products products. Farnell Israel offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Staco 924. 0.75 kW - 18 kW Single Phase, On-Line Double Conversion Emergency Lighting Inverter System (ELIS) The Staco 924 full range of centralized lighting inverters extend from 0.95kW to 18kW and provide full power protection for all emergency lighting applications.

Energy Efficient Uninterruptible Power Supply Three Phase, On-Line Double Conversion. FirstLine P 65-500 kVA ... Thank you for your interest in Staco Energy Products. In order to best assist you, please select from the following: Sales Inquiry Customer Service Partner Programs Human Resources Technical Support.

Staco recognizes the importance of how vital water and wastewater operations are to residential and industrial customers and the overall community. Reliability and up-time certainly are critical for proper service, plus managing overall costs can be just as important.

STACO PRODUCT LISTING. EMERGENCY LIGHTING INVERTERS (ELI) Staco 924 (Single Phase) FirstLine PL/PLT 924 (Three Phase) ... Thank you for your interest in Staco Energy Products. In order to best assist you, please select from the following: Sales Inquiry Customer Service Partner Programs Human Resources Technical Support.

Staco Energy Products can accommodate multiple pieces of equipment within your facility during a single trip, offering substantial discounts for all services. Contact Service FOR 24x7 / AFTER HOURS SUPPORT CALL 937-253-1191. Your Name Company Address Address 2 City.

Staco Energy ensures continuous uptime of your critical operations. Whether you"re in a data center, medical facility, government agency, or manufacturing plant, we collaborate with you every step of the way. ... Thank you for your interest in Staco Energy Products. In order to best assist you, please select from the following:

Staco AVR. Electro-Mechanical 120-600 Volt, up to 2000 kVA ... Staco Energy Products Co."s voltage regulators are designed with maximum safety, ease of installation and efficiency in mind. Each model features a modular design, front accessibility and an enclosed, indoor, ventilated, drip-proof enclosure. ...

Unlike a standard fixed ratio transformer, a Staco variable transformer is designed to provide variable output voltage that can be adjusted from 0 to 117% of the unit"s input voltage. Staco Energy Products Co. offers a wide range of standard models including the following: Panel mount, single phase (fixed and adjustable shaft) Enclosed cord and ...

Since 1937, Staco Energy Products has been a pioneer in design and construction of both standard and specialized variable transformers, AC voltage control, sophisticated power ...

Staco SV. 1, 1.5, 2, 3 kVA (Universal Tower / Rack Mount) Single Phase, On-Line Double Conversion, Uninterruptible Power Supply. The Staco SV features a field-proven Digital Signal Processor (DSP) achieving high reliability, while providing protection from electrical power disturbances to the connected load.

3PN1010B Transformers from STACO ENERGY PRODUCTS In Stock, Order Now! Same Day Shipping, 2-Year Warranty - VARIABLE TRANSFORMER, CORD SERIES, PLUG IN, 120 VAC, 10 AMP, 0-140 VAC, SINGLE PHASE +1 (800) 884-5500 Live Chat. Same Day Shipping & Rush Processing Available

Staco PPS. Provider Power System test sets 0-1000 VAC, up to 3500 kVA Precise variable voltage power supply for all electrical testing application up to 4000amps. Staco Energy Products Co. has been supporting the power requirements of R& D labs for over 75 years. Our PPS series provide precise voltage control for any electrical testing application.

Ensure the accessibility of your data with uninterruptible power supplies (UPS) from Staco Energy Products Co. Available in 1 kVA, 2kVA, 3 kVA, 6 kVA, 8 kVA, and 10 kVA, the Staco line of single phase, online uninterruptible power supplies delivers true, high-quality, online power, with low distortion, plus sine-wave output to power any combination of linear and non-linear loads.

In the event of an AC power failure, the Staco E3 UPS will automatically transfer to battery power and continue to provide power without any interruption for the full amount of time you select. When power returns, the Staco E3 UPS will automatically recharge the batteries for the next unexpected power outage or disturbance.

FirstLine P. 65-500 kVA Three Phase, On-Line Double Conversion, Uninterruptible Power Supply. In the event of an AC power failure, the FirstLine® P UPS will automatically transfer to battery power and continue to provide power without any interruption for ...

Food / Beverage / Bottling; Packaging; Pharmaceutical / Chemical; Plastics; Electrical power distribution anomalies such as harmonics, transients, sags, surges, interruptions and black-outs can be catastrophic for sensitive electronic equipment, process-lines and overall production.Process manufacturing companies rely on our "full-time" power quality protection ...

1, 1.5, 2, 3 kVA (Universal Tower / Rack Mount)Single Phase, On-Line Double Conversion, Uninterruptible Power Supply. The Staco V pluggable series of UPS provides the highest level of secure, conditioned power protection available for all power-dependent applications, ensuring continuous business operation even in the most demanding of environments.

Electrical power distribution anomalies such as harmonics, transients, sags, surges, interruptions and black-outs can be catastrophic for sensitive electronic equipment, process-lines and ...

Mouser provides Staco Energy Products voltage control and voltage regulation products, as well as a complete line of advanced power conditioners and uninterruptible power supplies.

Staco V. 1, 1.5, 2, 3 kVA (Universal Tower / Rack Mount) Single Phase, On-Line Double Conversion, Uninterruptible Power Supply. The Staco V pluggable series of UPS provides the highest level of secure, conditioned power protection available for all power-dependent applications, ensuring continuous business operation even in the most demanding of ...

The Staco 924 full range of centralized lighting inverters extend from 0.95kW to 27kW and provide full power protection for all emergency lighting applications. The Voltage and Frequency Independent (VFI) design provides exceptional ...

Staco SV+ (DOE Compliant) 1, 1.5, 2, 3 kVA (Universal Tower / Rack Mount) Single Phase, On-Line Double Conversion, Uninterruptible Power Supply. PRODUCTS ... Thank you for your interest in Staco Energy Products. In order to best assist you, please select from the following:
