Jersey hager energy

Who is Hager energy?
Ambition to play a leading role in renewable energy supply and management: With the beginning of the new year Hager Group starts the Business Unit Hager Energy.

Who is the Hager Group?
From the photovoltaic system on your roof to the electric car in your garage and energy consumed in your house, the Hager Group is dedicated to developing solutions for the holistic and intelligent energy management of the future.

What's new at Hager energy?
The new business unit, Hager Energy, is under the leadership of Andreas Piepenbrink, CEO and Rémy Becher, COO. Hager Energy will regroup team members who are already working on energy management projects. "We foster agility by bringing together E3/DC and Hager Group teams with common objectives and priorities.

How can the Hager Group help you save energy?
Energy efficiency and energy savings start with knowing where and when energy is needed - and what for. The Hager Group offers all the resources you need to get this information: intelligent energy meters,open data interfaces and clear visualisation of consumption.

Is Jersey under pressure to develop a long-term energy strategy?
Jersey's government is under pressureto develop a long term strategy for energy production and consumption,according to an island think tank. Mark Boleat from Policy Centre Jersey said "inertia is a problem" identified within it's report on energy policy.

Why should we combine e3/dc & Hager energy management systems?
Combining E3/DC and our Hager energy management systems under the roof of our new Hager Energy business unit means we're ready to take on one of the greatest challenges of the energy transition: storage and distribution of renewables. Global warming. Temperatures on our planets are rising due to CO2 emissions.
