Jersey mobisol solar

What is mobisol solar?

Though based in Germany,Mobisol offers customers in various parts of the continent home solar systems using a mobile phone payment plan. They combine solar energy with an affordable payment plan via mobile phone,along with comprehensive customer service and innovative remote monitoring technology.

Why is solar important in Jersey?

Solar is a vital component of modern homes in Jersey,contributing to the state's renewable energy and energy management. For those focused on the bottom line,solar serves as a safeguard against rising grid electricity costs.

How many kWh will Jersey's solar array generate?

The 1,311 square metres,255kWp array is expected to generate over 240,000 units a year - enough to power 33 Jersey homes using an average 7,300 units(kWhs) a year. It's the third solar array to feed directly on to the grid.

Who is SolarEdge?

SolarEdge is an industry leaderand is at the core of SunWorks' product offering. SunWorks is the only trusted installer located in Jersey listed on the SolarEdge website. Find out more about SolarEdge and their unique,cutting-edge solar technology.
