The Solomon Islands are a Western Tropical Pacific archipelago of 21# major islands and almost 1,000 smaller islands scattered across 1500 km, located to the northeast of Australia and east of PNG. As a result of having to rely on expensive, imported diesel for power generation, electricity on the Solomon Islands is some of the most expensive ...

In 2013, when we started operating in Kosovo, we were convinced that in order to achieve a complete energy transformation, in addition to our professional capacities, we also needed a balance of workforce that, in the face of this challenge, had to be part of this objective. Such an electro-energetic transformation was not an easy task! Many factors showed the state ...
