The Newton Energy Solutions website has officially launched! Check out our graphical videos, read about the NEStore thermal storage system and get in touch with our team .

Download the technical specifications here and receive detailed information about the innovative thermal battery from Newton Energy Solutions. ? Delftechpark 26 2628 XH Delft The Netherlands KVK 85076120 Tel: +31 15 206 1451 info@newtonenergy ?

Newton Energi Limited is a leading green energy facilitator, offering innovative solutions to balance the national grid while driving the generation and supply of hydrogen fuel for a net-zero world. Explore our range of hydrogen-powered products for rental and sale, including portable lighting, CCTV towers, gensets, and batteries to support the UK"s diesel replacement scheme. ...

The Delft-based Newton Energy Solutions is behind this idea. As a spin-off of the Dutch Organisation for Applied Scientific Research (TNO), it results from a decade of testing and experimenting within the institute"s energy storage investigation group. "The end conclusion was: you can do anything technologically, but who will pay for it?
