The Cabinet Building was designed in 1837, by an officer of the Royal Engineers then serving in Bermuda. When it was first opened in 1884, it was known as The Public Building and housed the Customs and Treasury Departments and the Bermuda Library on the ground floor with the Council Room and the Secretariat on the upper.

Outdoor Weatherproof cabinets make jobsite storage of your flammable and other chemicals safe and simple. Easily move cabinets to the worksite using built-in heavy gauge fork lift channels then safely secure the cabinets outdoors using fully-welded 7-gauge steel Bolt-Down Brackets with 7/8" diameter mounting holes.
