Island Solar Fiji is your trusted installer of quality solar systems and battery storage. We work with you to improve your power reliability and save the planet. top of page

Vinod Patel and Home & Living are two of the largest retail brands in Fiji. We operate in every major town offering over 15,000 stocked products in the building materials, home improvement, furniture, appliances, and electronics categories.

Even though Fiji is an emerging solar market, it enjoys a good presence of solar equipment suppliers. Some readily available equipment in Fiji includes solar panels, batteries, inverters, and charge controllers. Nevertheless, these suppliers serve a small market and may not have the capacity to supply mega-project equipment.

SinoPV is a China-based commercial entity dedicated to providing variable, affordable solutions for photovoltaic projects. By offering reliable system solutions, sharing tight industry information and distributing high-quality PV modules at reasonable prices, SinoPV underscores our commitment to helping accelerate the clean energy transition. If you are willing to install a ...

VES is the renewable energy division of Vision Investments Limited of Fiji. We pride ourselves on excellent customer service while delivering comprehensive energy solutions to diverse clients. Our systems are designed to generate ...

We are a leading PV distributor serving 300+ clients in 30+ countries monthly. Our 100 MW stock is located in 14 logistics hubs across EMEA. Toll-free +48 800 ... This commitment is shown by our participation in
