With a strong European presence and a multidisciplinary team of 40 passionate professionals of 20 different nationalities RADIANCE Energy, RADIANCE Energy operates in Benelux, France, ...

Visible light such as sunlight carries radiant energy, which is used in solar power generation.. In physics, and in particular as measured by radiometry, radiant energy is the energy of electromagnetic [1] and gravitational radiation.As energy, its SI unit is the joule (J). The quantity of radiant energy may be calculated by integrating radiant flux (or power) with respect to time.

The Israeli wave energy project marks the first grid-connected wave energy system in Israel"s history. Eco Wave Power will soon commence the installation of its third, fourth and fifth wave energy projects, in the Port of Los ...

Iran"s Supreme Leader Ayatollah Ali Khamenei delivered a rare and forceful sermon today, defending Hamas" attacks on Israel and condemning the actions of the U.S. and its allies in the region. Addressing a large gathering at a mosque in Tehran, Khamenei claimed that the U.S. and its partners are maintaining Israel"s security to serve their [...]

He vowed that Iran would not hesitate to fulfill its responsibilities in opposing Israel and emphasized that Israel"s influence in the region would soon diminish. "The Zionist nation will not last long," Khamenei proclaimed, asserting that Israel"s military strength was insufficient to seriously harm Hezbollah or Hamas.

Radiance Energy leads the industry in providing high-value, state-of-the-art LED lighting. Our innovative solutions ensure a healthy experience, closest to natural lighting conditions in living, shopping and working environments.

Iran"s Supreme Leader, Ayatollah Ali Khamenei, has reportedly instructed the country"s Supreme National Security Council to prepare for a retaliatory attack on Israel after deeming the damage caused by Tel Aviv"s strike on Saturday "too major to ignore", the New York Times reported, citing three Iranian officials.. The paper quoted the Iranian officials as saying ...
