Rapidan energy group Isle of Man

When I founded Rapidan Energy Group in 2009, I envisioned a firm that would provide leading global companies and financial institutions with expert, integrated analysis and advice on the fundamental, policy and geopolitical drivers in the global energy industry. Having previously worked for a leading hedge fund, Tudor Investment, and for ...

The energy sector is changing. We"re having to re-evaluate our fundamental offering and consider how we contribute to a future that is greener, cleaner and better. Living in island communities amplifies this responsibility, as we can plainly see and imagine the impact that climate change is having on our coastlines, valleys, towns and wildlife.

Rapidan"s Energy Policy Service (EPS) filters out noise, spin and bias to assess the timing and repercussions of policy and regulatory shifts in the energy sector. We identify, interpret and evaluate over-the-horizon policy trends that will shape future energy policy long before they show up in trade press and newspapers.
