Experience the benefits of solar energy in San Marino, CA, where the abundant California sunshine provides the perfect setting for solar panel installations. Reduce your electricity expenses and minimize your environmental impact with Solar Unlimited San Marino, your local ...

Since a fixed solar panel is set in one position it is ideal to place it at an angle that will expose the panel to the most sunlight throughout the year. This angle is generally the same angle of your latitude which is 34.1 for San Marino. You do not need to strategically place a 1-axis or 2-axis panel as much as you do a fixed panel.
