Solarium energy Iceland

Solarium Energy gave us the lowest reasonable quote and it was a perfect bundle deal. They took care of all my needs from start to finish. I did not have to worry about anything. They even handled and paid for all permit and plan fees. They even process all my SDG& E paperwork and fees and made sure the approval process was complete.

Many states have implemented Solar Energy Rebate programs, to help offset the up front costs of a System. In California, the combined Federal and State programs will often cover 50% of your installation cost. That is a HUGE DISCOUNT! If you purchase a system costing $60,000, your State Rebate would be around $12,000. Your Federal Tax Credit would be 30%, or $18,000.
