Our Ai-LB low-voltage batteries are IP65 certified, have all-around BMS protection, and are built with the highest quality cells on the market, giving you the longest battery life cycle possible. And as with all Solplanet"s products, you ...

Solplanet"s new Ai-LB Pro battery series is a cutting-edge solar energy storage solution designed to optimize solar energy utilisation day and night. With its user-friendly interface, superior reliability, and effortless installation process, the Ai-LB Pro series batteries are an ideal choice for households seeking to transition to renewable ...

Solplanet behandeld jouw persoonlijke data in overeenstemming met de wetten die gelden in de regio/ het land die geselecteerd wordt. Het is dus erg belangrijk dat de juiste locatie wordt geselecteerd. Solplanet is niet aansprakelijk voor eventuele schade die voortkomt uit de selectie van een verkeerde regio.

Our Ai-LB low-voltage batteries are IP65 certified, have all-around BMS protection, and are built with the highest quality cells on the market, giving you the longest battery life cycle possible. And as with all Solplanet"s products, you can easily monitor the battery"s charge and consumption using our user-friendly mobile application.

With our Ai-HB 2.56LG batteries, you can count on the safety of LFP technology and an all-around BMS protection system that keeps a close eye on the battery"s operation processes. And you can keep a close eye on the battery using Solplanet"s user-friendly mobile application.

ASW TH series three-phase hybrid inverter is the perfect solution for residential and small-scale commercial & industrial installations. These powerful hybrid inverter series integrated smart customizable software you can easily manage your battery in DOD, time of use and power setting modes, lightning-fast UPS level switching time in less than 10 ms.

About Solplanet Solplanet is an overseas brand of AISWEI. AISWEI is a global organization manufacturing high-quality and reliable inverters since 2009, formerly known as SMA"s China subsidiary with a broad portfolio of PV inverter products, EV chargers, and energy management systems.
