Sunny island Western Sahara

Where is Western Sahara located?

Western Sahara is located on the north-west coast in West Africa and on the cusp of North Africa,bordering the North Atlantic Ocean to the northwest,Morocco proper to the north-northeast,Algeria to the east-northeast,and Mauritania to the east and south.

Is Western Sahara a part of Morocco?

The vast majority of Western Sahara is administered by Morocco, which considers it an integral part of its territory, so the same entry conditions apply to Morocco itself.

Is Western Sahara a disputed territory?

Western Sahara[a]is a disputed territoryin North-western Africa. It has a surface area of 272,000 square kilometres (105,000 sq mi). Approximately 30% of the territory (82,500 km 2 (31,900 sq mi)) is controlled by the Sahrawi Arab Democratic Republic (SADR); the remaining 70% is occupied and administered by neighboring Morocco.

What is life like in Western Sahara?

Incomes and standards of living in Western Sahara are substantially below the Moroccan level. Western Sahara has a hot desert climate,with tropical dry weather all year-round similar to Dubai. The interior of the territory has short,extremely warm winters but long,extremely hot summers.

Which country controls Western Sahara?

Moroccocontrols territory to the west of the berm (border wall) while the Sahrawi Republic controls territory to the east (see map on right). Western Sahara was partitioned between Morocco and Mauritania in April 1976,with Morocco acquiring the northern two-thirds of the territory.

Which countries border Western Sahara?

Western Sahara shares its land borders with Morocco and Algeria to the north and northeast respectively,and Mauritania to the east and south. The Atlantic Ocean borders it to the west and northwest. Western Sahara Bordering Countries: Morocco,Algeria,Mauritania.
