Triathlon intelligent batteries Malawi

What is triathlon® lithium-ion battery system?
TRIATHLON® Lithium-Ion Battery Systems are developed and designed for safe and reliable use in electric industrial trucks. The perfect replacement for Lead-Gel industrial batteries in industrial lift trucks,lifting work platforms,cleaning machines and other electric vehicles.

Who makes triathlon batteries?
For several years now,Triathlon Batterien GmbHhas been producing battery systems based on the pioneering Lithium technology. TRIATHLON ® Lithium-Ion Battery Systems are developed and designed for safe and reliable use in electric industrial trucks.

Who is triathlon System GmbH?
Triathlon System GmbH is your competent partner for battery systems that are used in particularly demanding areas. Always according to the motto: full operation under the most difficult conditions. We advise you in the selection and planning of your systems and are happy to support you beyond the manufacture and installation of your system.

Why should you choose triathlon System GmbH?
This makes it all the more important to be able to fall back on a powerful emergency power supply in the event of power failures and malfunctions. Triathlon System GmbH is your competent partner for battery systems that are used in particularly demanding areas. Always according to the motto: full operation under the most difficult conditions.

Why should you use triathlon® batteries for electric lift trucks?
TRIATHLON® batteries of the TPzS product line ensure safe and reliable powerfor electric lift trucks. With the TRIATHLON® TPzS A (X) AQUAsave battery line,you can increase your productivity and lower your operating expenses through reduced watering intervals.

Who makes ion batteries?
Ion batter esEne wer.- The CompanyAs an assembly manufacturer and de-veloper of Lead-Acid batteries and Lithium-Ion battery systems,TRIATHLON®produces batteries for a wide range of industrial motive power applications in-cluding electric forklifts and pallet trucks,mobile lifting platforms

G& W is proud to announce we offer Triathlon® Intelligent Batteries as part of our forklift battery product lineup. G& W now carries the full Triathlon product line of tubular flex lead acid ...
