We proudly use the following high quality brands: WeCo,Solis,Deye,Atess,Canadian Solar,Longi,and APEX. Find out more about APEX. Rubicon offers state-of-the-art,custom-built containerised battery energy storage systems (BESS).

Why should you choose Rubicon & Discovery Bank?
With Rubicon's high-quality solar solutions and Discovery Bank's competitive financing options, you can enjoy uninterrupted power while reducing your bills. Making your energy solution dreams a reality has never been easier with financing available through Discovery Bank's exceptional banking services, personalised features, and exclusive benefits.

Thanks to John for his sharing of the installation of Lensun 35W customized flexible solar panel for 2020 Jeep Gladiator Rubicon. We developed two specs for this model, including the 35W and the 50W. He installed the 35W and tests it first. 50W panel is made with soft TPT backsheet, it fits nicely where the Hood bends
