United Kingdom systek com

United Kingdom residents enjoy access to a National Health Services (NHS) based on clinical need, and not ability to pay. In contrast, free access to social care services is means-tested, with different eligibility criteria ...

Started my career as a panel builder and wireman for Quinton Crane Electronics Ltd. Moved internally to become a draughtsman in the company drawing office, learned how to manually layout printed circuit boards (before CAD was common place). Moved on to designing control systems, PLC based, embedded controller systems and single board computers of my own ...

The United Kingdom, famously and almost uniquely, does not have a constitution that is contained in a written constitutional instrument. It is to be found in the statutes passed by Parliament and in the common law, which developed over the centuries in the decisions of the courts. Only two other countries, Israel and New Zealand, are like the ...
