With UPS Paperless Invoice, you can upload any form electronically and transmit your data to customs offices worldwide. Go Paperless Compare Your International Shipping Options

The local UPS facility has received the shipment and they"ve dispatched it to a driver for its final delivery. Unless the sender has elected for a time-definite delivery service, parcels are typically delivered between 9 a.m. and 7 p.m. (occasionally later) to residences, and by close of business for a commercial address.

At the top of UPS , select "Create a Shipment" from the Shipping tab. Enter your name and address in the "Ship From" section, then the name and address of the recipient in the "Ship To" section.

Quantum View ® gives you full visibility of your small parcel shipments - and much more. Get customisable dashboards. Keep everyone informed about shipping changes and updates. Anticipate and resolve issues before they become problems.

The CyberPower CP1350AVRLCD3 is the most expensive UPS we recommend, but for good reason. Like our top pick, it has premium features such as automatic voltage regulation, surge protection, and a ...
