Get a Quote. Product Specifications ... Vanair - Mobile Power ...

The EPEQ® system operates at 48V rather than a standard 12V vehicle charge system. Therefore, a 48V power source, or a converter, must be used to transform standard 12V power to 48V power. You could also choose to use shore power. The EPEQ® DC-DC Converter, easily converts 12V input to 48V output to charge the ELiMENT® Battery while driving ...

Vanair® is determined to offer products that lead the industry in Mobile Power Solutions®. Many of our products are IP-rated to ensure product quality and increased product lifespan, including our EPEQ® Level 1 and 2 EV Chargers, which are IP66 rated. Experience mobile power equipment that is well-protected by using Vanair® products.

The Vanair® EPEQ® Welder is a 140A, CC stick welder that combines the flexibility of lithium-powered welding with Vanair"s long history of providing top-level welding capabilities. The ability to carry the entire welder and cables (34 lbs. total weight) right next to the equipment being worked on, makes the EPEQ® Welder extremely user ...

Releasing December 2023! Vanair®, the leading manufacturer and innovator of Mobile Power

Solutions® and Lincoln Electric®, renowned for its world-leading design, development, and manufacturer of arc welding products, have joined forces in a strategic collaboration that leverages the strengths of both companies to bring the next generation of Air N Arc® ALL-IN ...

Inevitably, batteries fail, but that doesn"t mean work has to stop. The all-new revolutionary Vanair® CapoStart® 3000 delivers instantaneous starting power for all of your vehicle needs, including heavy-duty machinery, company fleets, and off-road vehicles. Completely portable, the CapoStart® 3000 goes wherever you need it to go.

An Innovative Idea in Mobile Power Solutions® Vanair® began with an idea to do it better. In 1972, Vanair® Manufacturing began as Sullair PTO®, a division of Sullair® Corporation. It was there that a new product and industry were born. The product was the vehicle-mounted 185 CFM underdeck rotary screw air compressor.

The DR 500 delivers the power, performance and durability that you demand to get the job done. Available with either an integral shaft drive or hydraulic drive cooling system to fit your needs, the DR 500 features a Sullair® rotary screw air end and comes with a remote separator tank for flexible mounting and easy maintenance.

Vanair®, the leading manufacturer of Mobile Power Solutions®, has announced the launch of the all-new, dual power Goodall® StartoAll JumpoPack®12/24V lithium-ion jump-starter. The StartoAll JumpoPack® 12/24V offers over 10,000A of starting power and 166500 joules5s of power, making it ...
