Back for our second year!! Lords and ladies of the realm there will be a metaphysical/fantasy Faire on the grounds of central school. We would be inviting vendors who specialize in the metaphysical, fantasy, or holistic craft activities including and not limited to crystals, candles, herbs, incense, herbal remedies, tarot readings, soaps, energy healers.

Norfolk Island: Energy intensity: how much energy does it use per unit of GDP? Click to open interactive version. Energy is a large contributor to CO 2 - the burning of fossil fuels accounts for around three-quarters of global greenhouse gas emissions. So, reducing energy consumption can inevitably help to reduce emissions.
