Voltero smart powering Falkland Islands

Can a voltero S420 solar panel charge a generator?
It comes with 4 fixed stands that provide direct sunlight to the panel to maximize panel usage. Voltero S420 solar panel can also be used to charge any other solar generator. The main thing is that the generator has an MC4 connection and an acceptable voltage of 42V. Voltero S420 solar panel can also be used to charge our S25 and S50 power banks.

What is a voltero S200 solar panel?
The Voltero S200 Solar Panel is foldable,powerful,lightweight and flexible. The Voltero S200 Panel has a 200 watt of Power and is made from semi flexible plastic with high quality standards.
